

Migrant Steering Committee Drafts Constitution And Sets Objectives

The steering committee of the Palm Beach Migrant Committee met Wednesday at the Glades County Building where they drafted a proposed constitution and agreed to recommend to the full migrant aid committee that the bulk of funds on hand for migrant relief be retained for a genuine emergency and not expended at the present time.

They determined to recommend that \$15,000 be stockpiled and that the remainder, some \$2,400, be the responsibility of the county migrant executive board which they propose to create.

Two principal objectives of the permanent migrant group for the county, according to the steering committee, would be the collection and disbursement of funds and a program of coordination of governmental and private efforts and programs for the migrant.

While the full body must approve and/or change the constitution and draft by-laws, several articles and objectives drafted Wednesday appeared to have unanimous support from the steering committee.

Name of the committee will be the Palm Beach County Migrant Aid Committee, and general nature of the committee will be to bring together interested persons in the field of migrant aid for maximum effect. The full council.

Each committee would meet once each year and its executive board, composed of specific heads of agencies, commissions.

State Migrant Council Meeting Held At Miami

A meeting of the state migrant council, of which State Representative Emmett S. Roberts is chairman, was held Monday at Miami with the migrant committee of the Dade County Welfare Planning Council.

It was the first meeting of Roberts' committee away from Tallahassee.

Grant Averill, Belle Glade Migrant Committee chairman, also attended the meeting along with other representatives of Palm Beach County agencies.

Discussing migrant problems in general and presenting a resume of some of the work accomplished to date took up the major portion of the meeting.

Roberts explained the transportation regulation bill the state legislature is now considering to provide better transportation for migrant workers.

He also explained to be presented to regulate the sanitation facilities used for migrants. New regulations are expected to be arranged to give the State Board of Health and Restaurant Commission a wider range of regulation which could be aimed at migrant housing and dining.

The committee's work in cleaning up migrant facilities at Immokalee and Collier County in general is one example of work in the proper direction for creating a better atmosphere for migrant families.

It seems that the youngsters participating in the show were to have a circus then put the bite on them with a punch and cupcake provided the climax to the afternoon's entertainment, and not many cucumbers were seen that day.

Participating in the show were Sherry Knight, Ronnie Cooper, Danny Lanier, Janet Ayres, Janette Ayres, Ned Ayres, Jr., Harvey Ayres, Collette Cooper, Karen Carpenter, Steve Knight, Gerald Watson, Sherry Knight and Karen Harker.

Proud parents and neighbors provided cheers, whistles and attention at the extravaganza.

City Gives Nod To Boost Speed

Belle Glade City Commissioners have approved a request from the State Road Department to increase the speed limit on N. W. between N. W. Avenue D to the city limits, according to City Manager C. B. Talmadge.

In seeking the increase from 25 mph to 35 mph, SRD officials submitted the results of a recent survey which showed that traffic moving on that stretch of Main St. was traveling — on an average — of 35 mph or faster anyway.

The request Mar. 4 was made through David E. Boney, traffic department of SRD. Talmadge said he has advised H. C. Chandler of SRD of the action which is to be effective immediately. Signs will be placed in the area, Talmadge said.

Cabbage, Celery Markets Are Low Movement Heavy

Cabbage and celery markets remained low during the past week while some beans brought higher prices than last week. However, some beans brought higher prices than last week.

Mar. 5 saw the largest volume of beans brought to the market since the first of the year when 200 carlot equivalents moved. Florida East Coast Railway reported carlot beans were shipped 89 behind two years ago for the corresponding week. Movement was ahead of last year's past week.

Celery brought \$1.15-1.17, 15¢ above last week's price. The larger sizes; cabbage returned \$1.13-1.35, corn moved at \$3.50-5.00 and radishes brought 85¢ to \$1.15. Last items were weaker on a plentiful supply returning low.

Roberts Promises To Clear Way For Small Claims Court In Glades

Nearly 75 interested people assembled Monday night at Palm Beach County Glades Office Building to hear encouraging words concerning the creation of a small claims court in Glades.

Although some difference of opinion concerning the legality of the establishment of such a court was heard, State Representative Emmett S. Roberts told the audience that laws could be submitted at the forthcoming session of the Florida Legislature to approve such courts.

Roberts went on to say that he felt the working of the bills which authorized the construction of the subcommittee would not permit court to be held, although the state constitution states that court must be held at county seats.

Volusia and Pinellas Counties already have changes in laws to alter that stipulation. He said that when voters approve a change for Pinellas County, they were saying, in effect, that it was all right to hold court away from the county seat.

In a letter to Ralph Blank, Jr., Palm Beach County Representative, the Attorney General refused to rule on the constitutionality of a Glades small claims court.

County Commissioner Paul Rardin, who conducted the meeting, said that a small claims court could be filed here thus eliminating one trip to West Palm Beach.

What's going on here is just a tiger in the tall. There are just so many sales in there (West Palm Beach) while I'm out here.

Judge Currie did suggest the possibility of creating a separate court to augment the services such as Broward County has done. This he suggested because the audience responded to things in there (West Palm Beach) while I'm out here.

Judge Currie cited records to show that approximately number of cases from the Glades compared all cases in 1952, the first full year of the small claims court at Palm Beach.

Handed, 532 of them were out of 20-Mile Bend.

Last year 4,763 cases were filed in the Glades. The number dropped from better than 10% to 5%.

As the county's total number of cases built up, the Judge said, the Glades cases dropped, however, the audience responded by a show of hands of those who would have filed cases if it (Continued On Page Eight)

Young said 7,317 license tags were sold through Feb. 20 for \$187,158.65 and 7,542 thru Feb. 20 for \$187,158.65 and 7,542 thru Feb. 20 for \$187,158.65.

This year's play is the story of three girls from Ohio who are compelled by circumstances to rent a gloomy, run-down apartment in New York.

Dimly-lighted, poorly furnished and throbbing with strange noises, the place is beyond in inexplicable oddities! The most fascinating of these is a locked closet, a closet without a key. It makes for good humor, and the seniors expect to see everyone turn out for their play at 8 p. m. each day.

SB Council Mulls Water System And Election Changes

South Bay Councilmen Thursday met to review progress on obtaining water facilities for their county and arranged to amend their charter with regard to election laws and processes.

Considering their proposed jump into a \$500,000 water treatment plant, Councilman R. Roadman and Mayor J. C. Rowen reported on recent talks with State Senator F. O. Dickinson, who was acting as attorney for the city to work out a loan application for Washington.

Real tale, the councilmen said was delaying any definite step toward getting the machinery for a government loan in full. According to information on hand, the way is not clear about financing.

Since the council hasn't been given a clear picture of the costs of any future system they may build, nor do they know if it would be more practical to build only a water tank and purchase their current three million gallons per month from Belle Glade, they haven't decided between a government loan and retiring bonds.

Councilmen made it clear that they had the best interests of the county heartily in mind and that they were searching each angle of the problem.

The change in water supplies, the council said, would result in lower insurance rates and better water pressure as well as provide water to the Lake Harbor-Bean City area.

During a discussion of proposed charter changes the council decided to amend their charter to retain the right to elect a mayor.

They also decided to amend their charter to provide for a mayor and a council of five members.

City Will Study SB Water Request One-Way Traffic Suggestion Made

Belle Glade Commissioners Wednesday ordered the city manager and water superintendent to study a request from South Bay officials to supply three to six million gallons of water per month at a reduced rate.

They also tabled a recommendation from the Planning Board to make S. Canal, from Ave. A and B to S. W. 4th St. one-way with angular parking on A, B and C.

The council ordered an ordinance requiring the registration of firearms and registration of intent to exchange them with intent to exchange them.

Uncle Dan From Democrat River Says

Dear Mister Editor:
I see by the papers where the restaurant folks held a big convention in Atlanta the other day. The piece said they had a efficiency expert for the principal address. According to the piece, here's what he told the cafe folks: "Why not glorify the hamburger? Make it good with 15 cents worth of meat, a two-cent bun and four cents worth of relish for a total of 21 cents. Give it a special name and sell it for 55 cents, making a neat profit of 140 per cent." How do you like that, Mister Editor? Next in line will be the hot dog, with four cents worth of meat, a one-cent bun, three cents worth of mustard and onion, and selling for 35 cent or about 250 per cent profit. It always puzzles me why they are constantly raising the price on a pore man's meal and never touching the price of the rich man's plate. I ain't heard told of nobody raising the price of caviar lately, or roast duck under glass.

But on second thought, things ain't as bad as I figured. To

day get a hamburger with one cent worth of meat, a one-cent bun, and one cent worth of relish for 25 cents. It costs three cent to make it and they git about 500 per cent profit. Maybe this fellow in Atlanta was suggesting an improvement, after all.

As a general thing profit in the eating business is gitting out of line. I was reading not long ago where a food processor was putting up pork and beans without any pork. I reckon he was adding two more beans to fill up the space. The high price of eating is also changing the habits of a heap of city folks. This day and time, when us country folks hear a loud and long knock at the door, we know it ain't opportunity, it's some of our city kinfolks coming for a three-meal visit.

I see where a doctor in Chicago is getting on account of men doing most of the hard work, so it's a woman's advantage to preserve him as long as possible, and for that reason a woman ought to git up and give a man her seat in the bus. Personally, I think that's going a little too far. Most men is willing to show a little sportsmanship about it. Per instant, instead of letting a lady git up and give me her seat, I'm still willing to race her for it.

Yours truly,
Uncle Dan

Two Groups Urge Teacher Profession

Two statewide organizations are teaming up on a practical project to encourage young people to take up careers in teaching.

"Team-mates" in a program of scholarships to teacher-training colleges are the Florida State Junior Chamber of Commerce and the Florida Consumer Finance Association.

Seniors in high schools throughout Florida can obtain application blanks for the first teacher-training scholarships through their high school principals. The application blanks have been cleared through the State Department of Education and are being forwarded by the department to high school principals, who will make them available to applicants.

Interested seniors must submit completed applications before the deadline, April 15. Then, each of the 112 Jaycee clubs in Florida is expected to select its own hometown winner. One winner of an elimination contest will be chosen at each of the nine Jaycee district meetings in the state and the eventual winner will be announced at the Jaycee state convention in St. Petersburg, May 14th through 17th.

The Florida Consumer Finance Association, statewide organization of ethical small loan firms, is providing funds for the \$400 annual scholarship. In addition, information on the scholarship can be obtained through FCFA member-offices as well as through Junior Chamber Clubs.

GS Custard Apple Association Meets

At its regular meeting Tuesday night, the Girl Scout Custard Apple Association completed plans for the observance of Annual Girl Scout Week, with annual attending the church of their choice on Sunday and presenting a scout program at the PTA meeting Monday night. Climaxing the week of activities, Mrs. Robert J. Allen, Jr., chairman announced will be the Juliet Lowe International Ingathering and Friendship program at the municipal park at 6:30 p. m. Friday, March 13 to which a special invitation is extended to all interested in girl scout work. Mrs. Sam Lovell whose aunt was one of the 12 original girl scouts will receive the donation which the Girl Scouts give and she will tell about some of the work done through these funds.

Two troops from Belle Glade and two from Pahokee will present folk dances from four different countries where there is Girl Scouting or Girl Guiding. There will also be a film shown entitled, "Wider Worlds." A number of senior Girl Scouts from the council who are going to attend the National Girl Scout Round-up in Colorado in July will be special guests. Singing of girl scout songs and a goodnight circle will conclude the festivities.

Mrs. Allen announced training workshops to be held in

INDOOR CRAFTS

Belle Glade April 2 in the evening which will feature ceremonies, ranks and badges. In Pahokee the workshop will be held the morning of April 3 on outdoor activities. Also announced were plans for the Annual Girl Scout Cookie sale, the tentative date being April 4-12.

The group discussed an art show to be held locally with all girls of all troops entering and all entries to be sent to the office for a county-wide show.

Mrs. Fred White announced plans for the Annual Glade Day Camp to be held in Pahokee this year June 15-25, each Mon-

day through Thursday and the fee \$3 per week is the same as last year. Mrs. E. C. Johnson will be the director and Mrs. White registrar.

Mrs. Allen asked that each troop have a reporter and report the news to the Herald and also send in a summary of the work so far this year to the office. Mrs. Peter LaChance announced the park recreation room had been reserved for June 2 for the neighborhood Association for a pot luck supper.

Following the meeting Mrs. Dan DeBruyne and Mrs. Men-

Girl Scout Activities And Growth Is Noted Since Its Organization in 1933

Palm Glades GS Council

Girl Scouting to-day in Belle Glade and this area has expanded and grown unbelievably since the organization of the first Scout troops by Mrs. Ralph Freeman in 1933. Giving of her efforts untriflingly Mrs. Freeman was leader of three troops and worked with the girl scouts for about 8 years, with very little assistance.

The Scout program went along through the years but really did not grow until during the beginning of 1951 when it was reorganized. At that time the Central Committee was disbanded and it was reorganized under the Neighborhood Girl Scout Association headed by Mrs. McCormick, with Mrs. Robert J. Allen, Jr., secretary and Mrs. Herbert Beck as treasurer.

In 1953 when Mrs. McCormick moved Mrs. Allen was elected chairman and it was through her efforts and those working with her that the scouting program expanded. Among the leaders at that time were Mrs. Frank C. Anderson, Mrs. Fred White, Mrs. Doug Matthews, Mrs. James Wiereno and Mrs. Russell Tucker. Dr. Allen also worked with the organization and it was a two year program of working in the Glades area and promoting from 1954 until the Palm-Glades Girl Scout Council was formed in 1956.

The Girl Scout Custard Apple Neighborhood Scout Association is now composed of Brownies from the second grade through Girl Scouts in 8th grades, with approximately 150 girls. Scout leaders are Mrs. Milton Carpenter, Mrs. J. M. Davis 2nd grade, Mrs. Brownies, Troop 64; Mrs. Reelin, old Lewis, Mrs. Dan DeBruyne, 2nd grade Brownies, Troop 167; Mrs. Warren Battle and Mrs. J. C. Betts, 3rd grade Brownies, Troop 254; Mrs. Ben McGee and

The Palm Glades Girl Scout Council was organized on Jan. 19, 1956 and extends from Hobe Sound, south to Boca Raton and westward to Clewiston, which has been subdivided into three districts. Mrs. Ralph Johnson of Pahokee is chairman for this district and Dr. J. Allen, Jr., former vice president of the Council is member at large.

In the council at the present time there are 3,371 Girl Scouts and 1106 adults and 243 Troops. There are 55 registered at council board and personnel, with three professional workers and executive directors. Mrs. Lane To-water is director and Mrs. Mina Holden and Mrs. Pat Peoples registrar and sec-clerk. Mrs. Peebles is assigned to work in this district.

In the three years in the Palm-Glades Council there has been an increase in jurisdiction with each association having four delegates to vote at council meetings which occur in January and October. The board meets six times a year.

Mrs. J. D. DuBoise, 3rd grade Brownies, Troop 264; Mrs. Elmer Scurlock and Mrs. J. P. Hallbrook, Jr., are leaders of 4th grade Girl Scouts, Troop 192; Mrs. Lee Berryhill and Mrs. Richard Hoots, 5th grade, Troop 132; Mrs. Frank Dooley and Mrs. G. L. Connell, 7th grade, Troop 134; Mrs. Peter LaChance, Mrs. Emil Wolf, 8th grade, Troop 133.

Mrs. Allen hopes to have a senior Girl Scout Troop organized in the coming school year.

Girl Scouts Boast Finest Campsite In Southeastern Part Of Florida

One of the outstanding and finest camp-sites in the Southeast section of the country is the new Girl Scout Camp located in Jonathan Dickson State Park consisting of 600 acres located 2 miles north of the quarka east of Jupiter. The camp-site of 150 acres on a ridge is bounded on the east by the park and Boy Scout Camp on west.

The large Girl Scout Lodge has now been completed and will be ready for the summer camping program. Road construction is being finished and the parking area for 150 cars. The Lodge will have a capacity for 150 campers. The bath house and the pump house and water system has been installed. Twelve old cabins from the Margery Daniels Camp have been moved to the new site.

Ted Zent and Mrs. Keith on the general camp committee announces that summer camping sessions have been established and approved as follows: On June 8-13 is set for senior conference and Roundup, June 21 there will be an open house for parents and prospective campers, June 26, one week of pre-camp training for the leaders. Camping session for the Girl Scouts will be first session, July 1; second session, July 19; third session, August 2. Each session will take care of 92 scouts.

Age level this year for the camp has been raised to 8 years or completion of the 3rd grade. The camping period has been extended to Saturday after breakfast, instead of Friday morning.

This year there will be a pilot project in troop camping using roundup tents and some of the camp facilities. Participants will be experienced intermediates and seniors over an above those in the regular session. The Belle Glade Neighborhood Association started and organized the first annual day camp in the Council, with over 40 attending the first year. It was held again the following year with such success that day camps are being started through out the whole district. The Glades Day Camp will be held in Pahokee this year. Other day camps will be held in Delray, West Palm Beach, Lake Park and Lake Worth.

To expand to a full size camp as the need arises with more scouts joining each year approximately \$200,000 is needed. Working with the Palm-Glades Girl Scout Council is a National camping advisor from National headquarters.

Rev. Bertis Fair To Hold Revival At Lake Harbor

Rev. Bertis Fair, who is presently in the area employed by the Home Mission Board of the Southern Baptist Convention, Atlanta, Ga., will be the evangelist conducting the revival at the Lake Harbor Baptist Church beginning March 15 and continuing through March 22.

Rev. Fair received his A. B. degree from Union University, Jackson, Tennessee and his Th. D. from Southwestern Baptist Theological Seminary at Ft. Worth, Texas. He is well known in the Belle Glade area and has preached at churches here.

Pat Drake, music director at the First Baptist Church of Clearwater will be in charge of special music during the revival. Services will be held each evening including Sunday at 7:30 o'clock.

Rev. Quimby Sirman, pastor, extends a cordial invitation to everyone to attend the services.

Gospel Meeting At Church Of Christ

Pervie Nichols, gospel minister who has done extensive evangelistic work in Alabama, Mississippi, Georgia and Florida, also outstanding for his active work in T. V. and Radio in the evangelistic field, will begin a series of gospel meetings with the local Church of Christ.

The meeting will begin March 22, continuing through April 1. All are cordially invited to come hear the gospel preached by this very capable minister. Services will begin each evening at 7:30. Home Church local minister will direct congregational singing during the meeting.

LDS Church Quarterly Conference March 15

The Quarterly Conference of the South Florida District of the Church of Jesus Christ of Latter Day Saints, will be held in the Miami Chapel N. W. 95th St. and 14th Ave in Miami Sunday, March 15.

General sessions will begin at 10 a. m. and 1:30 p. m. All members are urged to attend and friends or anyone interested are cordially to attend the services.

Altar Society Will Meet Monday Night

St. Philip's Altar Society will meet Monday night at 8 p. m. at the home of Mrs. Lloyd Bost, 1164 N. W. 16th St. The meeting which was to be held last Tuesday was postponed on account of the meeting at the church.

The Society also announces its annual rummage sale will be held Saturday on the corner of Ave. B and S. W. 4th St.

Episcopal Vicarage Under Construction

A residence for the Vicar of the Episcopal Church of St. John the Apostle is now under construction on the church's property corner of Northwest Second Street and Avenue H. The vicarage is the second unit of a proposed four-unit compound. Upon completion of the vicarage in June, the two units remaining to be built will be a classroom building for the Sunday School and the church building proper.

The first unit, a multi-purpose parish house, was built in 1953. At present, it is used for all activities, including the worship services and Sunday School classes. To this parish house is being added a cement tile roof at the same time as the vicarage is under construction, thus bringing it to its final completion.

Churches Of Christ Scientist

How reliance on God's inexhaustible goodness brings abundance will be emphasized Sunday at Christian Science services.

Mrs. Murray Is District Speaker

The Annual District Conference of the Women of the Church, Presbytery of the Everglades will be held March 4 at Bethany Presbyterian Church in Fort Lauderdale. The theme of the meeting was "World Wide Mission of the Church."

District chairman, Mrs. Tom Cook of the Covenant Church, presided. Mrs. Richard Murray, president of the Women of the Everglades Presbyterian Church, brought a message on "What I Am Hoping For The Women of My Church." She emphasized the desire that each person might grow in grace.

Other local women attending were Mrs. I. Price, Mrs. Y. Wicker, Mrs. W. K. Whitlock, Mrs. Urban Fleming, Mrs. Clara Stiehl, Mrs. E. F. Allen, Mrs. Morn Ludlow and Mrs. J. Leighton Scott.

Self-made men should be more careful in selecting materials they use.

The Golden Text is from Matthew 6:19. "Thy treasure, O Lord, is in the heavens, and thy faithfulness reacheth unto the clouds."

The following were baptized: Larry Lynn, Gary Lynn, Royce Gene Mayo, Groover C. Royton, C. Harold Tedder, Joe T. Guey, Mrs. Ella Kent, Donna Hash, Janelle Martin, Sue Morris, Mr. and Mrs. Arthur Wells, Jr., Dennis Russell, Sandy Mooney, Bobby Mooney, Deborah Unwin, Betty Sue Broome, James H. McTaggart, Butch Buss, Brenda Webster, Aggie Gressinger, John Griffin, Sue Griffin, Bonnie Godsey, Billy Rimes, Franklin Chuit, Robert L. Elderly, Gracie Meeks, Carmen Sue Brown, Barney Weeks, Larry Norman and Karen Whalaker.

Joined for transfer of letters or by statement were Mrs. L. Rue Williams, Mrs. James Herring, Mr. and Mrs. R. H. Bradock, Mrs. Joe T. Guey, and Mrs. Ruth Burkett.

The Annual Reunion Offering (Home Mission) will be taken next Sunday. Out of the offering, which will be received from all the Southern Baptist Churches, will be a sufficient amount to build a mission building for the Spanish-speaking people at Pueblo, Colorado, where Don and Virginia Weeks have charge of missions.

The W. M. U. gave a program which explained the Home Mission work of the Southern Baptist Convention last Wednesday night at Prayer Meeting.

We were glad to see 326 in Sunday School and 142 in Training Union last Sunday.

HOW, WHEN AND WHERE?

By Rev. Bertis Fair

The writer of Psalms sometimes tries all these things. He writes Psalms 39 and examine yourself.

Verse 1: Reformation.

Verse 2: Look on.

Verse 3: Meditation.

Verse 4-6: Interrogation of asking questions.

Verse 7: Salvation. Now, Lord what wait I for? My hope is in Thee.

We also read in Matthew 25:1 Chapter of the five foolish virgins, who had no oil in their lamps, and tried to beg borrow and buy oil but time had run out on them. They could not do any of these, Read Roman 10: 8-13 now.

Weekly Services At Presbyterian Church

Pre-Easter Evangelistic services at the Everglades Presbyterian Church are being held each evening at 7:30 p. m. through Friday, with Dr. D. P. McGeachy of Clearwater bringing the message.

On Thursday evening his subject will be "The Victory of Faith and on Friday "The Door."

Dr. Scott extends a cordial welcome to anyone wishing to come out to the services.

Sermon Topics

North Belle Glade Baptist Mission: Rev. Edward M. Scherer, pastor will preach at the morning service at 11 a. m. on "The Great Denial" and his evening sermon at 7:30 will be "The Great Evasion."

St. Peter's Lutheran Church: The Rev. August A. Oberer will preach on the subject, "The Blood of Christ." Sunday March 15 is the first day of Passion Week, leading up to the day commemorating the death of the Lord Jesus Christ, which is observed on Friday of the week following.

Everglades Presbyterian Church: Dr. D. P. McGeachy who is conducting evangelistic services will preach Sunday morning on the subject, "Resources of 'Man and God'" and at the evening service at 7 o'clock his subject will be "The Audacious Prayer."

Community Methodist Church: At the Sunday a. m. service, the pastor, Rev. John B. Gill, Jr., will preach on "The Price God Paid to Redeem Us," and his subject at the evening service at 7:30 will be "The Discipline of the Kingdom."

Evangelist Will Speak At Armory

The United Nations and racial strife will be the targets of an anti-Communist lecture to be delivered by evangelist Billy James Hargis of Tulsa, Oklahoma, in his one-night appearance in Belle Glade, Thursday, March 26 at 7:30 p. m. in the Belle Glade Armory, he disclosed today.

The Tulsa evangelist, famed for his outspoken criticism of what he terms "liberal tendencies" in religion, education and government, has scheduled public appearances throughout six states during March, as a part of increasing the membership in his international, anti-Communist "Christian Crusade" movement.

The Belle Glade meeting, which is open to the public. Admission is free.

Healing And Saving Power Of Prayer Cited By Bowles

Scientific, spiritual healing is reformative - redeeming mankind from bondage and revealing God's supremacy and all-power, Neil H. Bowles of Atlanta said in a public lecture here Sunday afternoon.

Prayer, based on spiritual understanding of God restores health and makes life really satisfying and meaningful, Mr. Bowles stated.

It is ignorance of God and of the man of His creating, he said, that is the basic cause of sickness, poverty, and strife.

Mr. Bowles spoke in The National Guard Armory under the auspices of First Church of Christ, Scientist, Belle Glade.

A member of The Christian Science Board of Lectureship, he was introduced by Rev. King, First Reader. The subject of his lecture was "Christian Science: Its Reforming and Healing Mission."

The world's greatest need, he said, is for spiritual thinkers. "Were the world as advanced in the Science of God as it seems to be in technological achievements, the vast sums now being spent on instruments of destruction could be devoted to constructive uses for the betterment of mankind," he declared.

Mr. Bowles emphasized the spiritual importance for humanity of Christ Jesus' healing mission. Through his understanding of God, he said, Jesus "turned the water into wine, stilling the tempest, and walked on the waves of defiance of the humanly conceived laws of nature, that he might convince them of the supremacy of spiritual law."

He said that Jesus' mission "was to present the true idea of God and man and to demonstrate the all-power of infinite Spirit, thus proving unreal the sufferings of the flesh."

Jesus always reformed the thinking of those he healed, he noted.

Present-day healings of cancer, stomach trouble, and other difficulties through the reform-

Mission Study Book Given By Mrs. Malcolm

The Mission Study Book on "The Ways Of Witnessing" was presented by Mrs. U. W. Malcolm Tuesday night. Mrs. Henry O. Earwood introduced the speaker. Nineteen circle members enjoyed the study book, which was most interesting.

The W. M. U. was in charge of prayer meeting on Wednesday night with Mrs. Earwood in charge of the program.

Annie Armstrong (Home Mission) offering will be taken on March 15 at the regular work during service.

Independent Missionary Baptist Revival Enjoyed

Members of the First Independent Missionary Baptist Church of Chocoma enjoyed seven days of revival services during the week of Feb. 23 with Elder Chocoma, Scientist, Belle Glade.

Elder V. A. Higgs, who has resigned as pastor due to his health has returned to his home church. The congregation feels it is their loss, and regret to see him leave. He is to be commended for his wonderful work during his pastorate here.

Elder Ernest Archer is acting pastor for the church at the present time.

ing power of prayer were described by the lecturer.

Commenting on the various modes of human thought that are productive of sickness and disease, Mrs. Bowles quoted the following from "Science and Health with Key to the Scriptures" by Mary Baker Eddy.

"The procuring cause, and foundation of all sickness is fear, ignorance, or sin. Disease is always in an image of thought externalized. The mental state is called a material state. What- ever is cherished in mortal mind as the physical condition is imaged forth on the body."

In closing he emphasized that the reforming process of scientific prayer "restores health and leads the way to the understanding of Life's true meaning and substance."

A life spent worthily should be measured by deeds, not years.

Belle Glade High School News

B. G. FFA Chapter Wins 10th In State Judging

The Marianna High School FFA Chapter Livestock Judging team was announced as the state champion by H. E. Wood, State Future Farmer of America, at Tallahassee.

Belle Glade's FFA Chapter was awarded 10th place in state competition in dairy cattle judging.

Enrollment At School Shows 619 For Present Membership: Morris

The enrollment of Belle Glade High School so far this year has been 699 and the present membership is 619. There have been 37 to withdraw from school for various reasons; of these, seven have returned. Principal Pelton Morris says.

From the grade standpoint, 24 have withdrawn from the seventh grade, 15 from the tenth, eight from the eleventh, and seven from the twelfth.

Thirty-five of these have entered other schools, 18 in the same county. Twenty-one entered other counties of the state and 14 have entered eight other states.

Thirty-three have withdrawn and have no plans of entering another school. Most of these are senior high students of which three have returned.

Basketball Season Ends For BGHS

JUST A THOUGHT

Belle Glade High School's Golden Rams basketball team wound up its season 4-14, which isn't exactly cause for celebration; however, there is a point to be made which might be well for all of us to note.

It's nice to win, but it takes a lot more character and determination to get on a basketball court twice each week with the burden of a heavy loss record hanging over the court.

This year's squad was what Coach Hector Ouellette termed a build-up team; planning for the future after many years of preceding year. Next year, without doubt, the young men on the squad will enter play with more experience, ability and certainly a healthy feeling of that old adage about crawling before walking or running.

Young men who stay with the team in the face of obstacles such as the bad season described here, are deserving of respect.

Principles of sportsmanship, team work and character development learned in years such as this will certainly be a better addition to our community in the following years than a near-perfect basketball season.

FFA Bar-B-Que Mar. 14

Belle Glade Chapter of the Future Farmers of America will stage their second barbecue for the school year Mar. 14 at the high school cafeteria from 5-8 p.m. Admission to the meal is by reservation only.

If you have not been contacted by a member of the FFA, please contact Phillip Pierce at WYman 6-3678 to obtain reservations which are \$1.50 for adults and 75 cents for children.

TEEN TOWN TALK

Officers and directors of Teen Town were elected last week, and Charles McWhorter was named president along with Hubert Anderson, secretary-treasurer.

Elected to the board of directors were Lee Berryhill and Doug Thompson (Elks), Dick Hodges and Ralph Kirk (Lions), Fritz Stein and Howard Hill (Rotary), Hubert Anderson and Herbert Lloyd (Jaycees), Don Fisher and Charlie McWhorter (Citizens) with Mrs. Jack Kaufman and Mrs. Charlie McWhorter.

Mrs. Ruth Sands will be at Teen Town Friday and Saturday nights to help the chapter. It was agreed to charge the youngsters ten cents to cover the cost of cleaning up and to pay Mrs. Sands. There will be a 50 cent charge when Teen Town has an orchestra.

Thanks this week to Berryhill Electric and School-Collins Electric for electrical work done at Teen Town.

Florida is technically a "tropical" area as it is only 100 miles north of the Tropic of Cancer.

BGHS Diamond Squad Opener

Belle Glade's baseball team opens play here Friday against Okeechobee. Southpaw Ron Hudspeth as probable starting hurler. Other potentials may see mound duty since the opener isn't a conference game.

Starting line-up: Wendell Tyler, catcher; Butch Buss and Hudspeth, pitchers; Clarence Throop (on Hudspeth) 1st base; Tommy Mann, 2nd base; Doug Thompson and Frank Matthews, 3rd base; Charles Lutz, shortstop; Billy Lee, left field; Kenneth Martin, center field; Billy Love, Ronnie Perkins or Daniel Skinner, right field.

Coach Luke Thornton has this to predict: "We're playing with one senior, seven juniors and two sophomores and two freshmen. There's a lot of competition for positions. We'll have no definite starting line for at least the first two games or until we see how the boys produce."

—Margo Averill

Conniston Wins Basketball Battle

The Junior High basketball tournament was held at West Palm Beach last week. Our first game with Boca Raton which the Ramettes won 38-10. Tommy Close was high point man for Belle Glade. Friday was the game with Boynton which the Rams won 36-15. Close high again.

Conniston won the next contest in a close game 28-24. Player Diddy Mills, son of Mr. and Mrs. George Mills, Belle Glade, made the all-star team. There is a lot of young talent out on the court. In the next two years, we should have a fine basketball team.

Also the same week the 8th graders played Central, West Palm Beach. Central stopped the Rams 29-11 in the first game. Stanley hit five points, Martin got four and Robbins dropped two to complete the Belle Glade scoring.

Salute to FLORIDA COUNTIES

PASCO COUNTY

County Seal, Dade City

Since its beginning in 1887, Pasco County has been noted for diversified agriculture, citrus, cattle and poultry. Rich in products, tradition and natural beauty, this citrus and cattle growing region, dotted with lakes and rolling hills, has 31 miles of almost undeveloped coastline... a natural paradise that also provides commercial profits. Pasco ranks 2nd in egg production in Florida Counties. County Seat Dade City boasts the world's largest citrus processing plant. Each year, streams of tourists are attracted to the annual Pasco County Festival.

In progressive Pasco County, and throughout Florida, the United States Brewers Foundation works constantly to assure the sale of beer and ale under pleasant, orderly conditions. Believing that strict law enforcement serves the best interest of the people of Florida, the Foundation stresses close cooperation with the Armed Forces, law enforcement and governing officials in its continuing "self-regulation" program.
